

Each Year, the Atlanta Archdiocesan Council of Catholic Women honor one woman and high school senior from each parish who has demonstrated outstanding work in their parish & community. There will be a Recognition Day Mass on March 7, 2020 at Holy Cross Catholic Church located at 3773 Chamblee Tucker Road, Atlanta.

We are pleased to announce our parish representatives:

Our Lady of the Mountains, Roman Catholic Church
Youth of the Year 2020:

David Rivera

In a world where it seems harder and harder for a teenager to make their mark without being engulfed in today's secular world, our parish did not have to look far to find someone who exemplifies the qualities that others look towards.

David Rivera, son of Jesus and Edna Rivera, is a high school senior at Pickens High School in Jasper, Georgia where he is a Varsity Track & Field pole vaulter. He also works at the local IGA as a cashier. He has supported our parish through several service projects and through Vacation Bible School.

After graduation this year, he plans to apply his discipline and faith by serving our country in the military. **"I know I will do well because I know that God has helped and guided me throughout my life and will continue to do so."**

Congratulations, David, for being chosen our
Youth Of the Year!

Our Lady of the Mountains, Roman Catholic Church Woman of the Year 2020:

Bridget Scott

Best known as the Music Director at *Our Lady of the Mountains*; Bridget Scott exemplifies the traits others look towards. She is a Catechist with a seemingly unending knowledge of our faith, an authoritative figure of Gregorian chant in the Southeastern United States and a mother to many more children than her own. Her love of God and of our Catholic faith serves as her guide. She is the type of woman who will always rise above any standard set for her and insists on never doing anything “half-way”. For every wedding, funeral, mass and special liturgy, even at our parish office, you will find her working meticulously in both the forefront and the background, but always humble, never expecting fanfare or thanks.

Bridget is selfless, generous, and kind; whether it be giving of time, counsel or aid. She is forever dropping everything to put others first. She is honest yet gentle, demanding yet kind, and always sets forth a Christ-like manner. Bridget Scott has touched many lives with her charity and truly illustrates the picture of a woman who is led by Christ and utilizes her talents and faith in bringing others to Him. For these reasons, we are proud to announce Bridget Scott as our Woman of the Year 2020.

Do nothing from selfish ambition or conceit, but in humility regard others as better than yourselves-Philippians 2:3
