

THE MOST REVEREND  
GREGORY J. HARTMAYER, OFM Conv.

July 2, 2021

Dear Brother Priests and Deacons:

Peace and all good things!

I am writing to request your help.

The United States Conference of Catholic Bishops has launched a campaign for Catholics to raise their voices on behalf of women. The goal is for *millions of Catholics to sign the petition* on [NoTaxpayerAbortion.com](http://NoTaxpayerAbortion.com) by Friday, **July 16**.

I invite the people of your parish to join our diocesan response to this nationwide effort. **Its success and the lives of countless people depend on each of us doing our part.**

Some influential members of Congress want to take away the Hyde Amendment so taxpayer dollars will pay for abortions for poor women.

When our government offers a woman a free abortion instead of the resources she needs to care for her baby, it is not "choice" but coercion. Taxpayer dollars would be far better spent **supporting women in crisis pregnancies and struggling new mothers** so that no woman ever feels economic pressure to have an abortion.

The Hyde Amendment has been credited with **saving over 2.4 million lives**, and without it, the current abortion rate would likely go up significantly.

Because of the incredibly high stakes, Congress needs to hear from a *massive* number of people before it votes on taxpayer-funded abortion during the second half of July. If we fail to generate sufficient grassroots support for the Hyde Amendment, Congress may conclude that taxpayer-funded abortion is popular.

**Easy, ready-to-use tools** from the USCCB can be found at [respectlife.org/no-taxpayer-abortion](http://respectlife.org/no-taxpayer-abortion). These include an introductory webinar recording, sample announcement, petition to Congress, graphics, flyer and infographic. (Many of these are also available in Spanish.) Additionally, some [key points](#), [pre-written messages](#) and [ideas for using the resources are available](#) for your reference. (Please do not share these latter documents publicly.)

As Pope Francis has said, "The future of humanity ... is fundamentally in the hands of peoples and in their ability to organize." It is **critically important** for Catholics to send a *strong* message before Congress imposes taxpayer-funded abortion. Thank you for your attention to this matter.

Sincerely in Christ,
